

This is a simple blockquote

```
>here comes a blockquote  
>another line
```

after blockquote

```
| here comes a blockquote  
| another line  
after blockquote
```

This is a blockquote with markup

```
| here comes a blockquote  
| another line  
after blockquote
```

lets change the rendering of a blockquote

```
here come a blockquote  
another line  
after blockquote
```
